Dear Sir/Madam

(A) THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE; AND

(B) THE PROPOSED RENEWAL OF THE MANDATE FOR INTERESTED PERSON TRANSACTIONS.

1 INTRODUCTION

1.1 EGM

The Directors are convening an EGM to be held at The Malacca Rooms, 3rd floor, InterContinental Singapore, 80 Middle Road, Singapore 188966 on 12 April 2007 at 3:00 p.m. (or as soon as practicable immediately following the conclusion or adjournment of the AGM to be held at 2:30 p.m. on the same day and at the same place) for the purpose of seeking the Shareholders' approval for the following proposals:-

- (a) the proposed renewal of the Share Purchase Mandate; and
- (b) the proposed renewal of the mandate for Interested Person Transactions.

1.2 Circular

The purpose of this Circular is to provide the Shareholders with information relating to, and to seek the approval of Shareholders for the proposals to be tabled at the EGM.

1.3 Notice of EGM

The Notice of EGM is set out on pages 28 to 30 of this Circular.

2 THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

2.1 Introduction

- 2.1.1 The Act allows companies to purchase their own shares, stocks and preference shares in the manner stated in the Act if their articles of association allow them to do so. Article 51(a) of the Articles expressly permits the Company to purchase or otherwise acquire, *inter alia*, its issued Shares.
- 2.1.2 At an extraordinary general meeting of the Company held on 13 October 2006, the Shareholders had approved the renewal of a mandate (the “**2006 Share Purchase Mandate**”) to enable the Company to purchase or otherwise acquire its issued Shares as permitted under and in accordance with the provisions of the Act. The rationale for, the authority and limitations on, and the financial effects of the 2006 Share Purchase Mandate were set out in the Company’s circular dated 18 September 2006.
- 2.1.3 The 2006 Share Purchase Mandate was expressed, *inter alia*, to remain in force until (i) the date on which the next AGM is held or required by law to be held; or (ii) the date on which the Share Purchases are carried out to the full extent mandated; whichever is earlier unless varied or revoked by the Shareholders in general meeting.
- 2.1.4 The Company had on 23 August 2006 changed its financial year end from 30 June to 31 December. Accordingly, the Company has set 31 December 2006 as the end of the financial year of the Company for year 2006. As a result of the change of financial year end, the next AGM will be held on 12 April 2007.
- 2.1.5 Accordingly, the 2006 Share Purchase Mandate will expire on 12 April 2007, being the date of the forthcoming AGM. The Board is convening an EGM to seek Shareholders’ approval for the renewal of the Share Purchase Mandate.

2.2 Rationale for the Share Purchase Mandate

- 2.2.1 The rationale for the Company to undertake the Share Purchases is to enable the Directors to return the EEIC Group’s surplus funds over and above its ordinary capital requirements, which are in excess of the foreseeable financial and investment needs of the EEIC Group, to Shareholders expediently and cost-efficiently.
- 2.2.2 The proposed renewal of the Share Purchase Mandate will continue to give the Directors the flexibility to purchase or acquire the Shares if and when circumstances permit. The Share Purchase Mandate will also allow the Company greater flexibility over its share capital structure and dividend policy and may lead to an enhancement of earnings per Share and/or NTA per Share of the Company and the EEIC Group, depending on market conditions and funding arrangements at the time. As the Share Purchases will give the Directors the opportunity to purchase Shares when the Shares are under-valued, the Directors are of the opinion that the Share Purchases would help to buffer short-term share price volatility and offset the effects of share price speculation.
- 2.2.3 If and when circumstances permit, the Directors will decide whether to effect the Share Purchases via On-Market Share Purchases or Off-Market Share Purchases, after taking into account the amount of surplus cash available, the then prevailing market conditions and the most cost effective and efficient approach.
- 2.2.4 Although the Share Purchase Mandate authorises the Share Purchase up to a maximum of 10% of the total number of issued Shares of the Company during the duration referred to in Section 2.3.2 of this Circular, the Share Purchases would be made only as and when the Directors consider it to be in the best interests of the Company and/or Shareholders and in circumstances which they believe will not result in any material adverse effect to the financial position of the Company or the EEIC

Group, or result in the Company being delisted from the SGX-ST. The Directors will use their best efforts to ensure that after a Share Purchase, the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity or adversely affect the orderly trading and listing status of the Shares on the SGX-ST.

2.3 Authority and Limits on the Share Purchase Mandate

The authority and limitations placed on the Share Purchases by the Company under the proposed renewal of the Share Purchase Mandate are set out below:-

2.3.1 Maximum Number of Shares

The total number of Shares, which may be purchased or acquired by the Company pursuant to the Share Purchase Mandate, is limited to that number of Shares representing not more than 10% of the total number of issued Shares as at the date of the forthcoming EGM at which the renewal of the Share Purchase Mandate is being sought (the “**Approval Date**”). Following the introduction of the Companies (Amendment) Act 2005, any Shares which are held as Treasury Shares will be disregarded for the purpose of computing the 10% limit.

For illustrative purposes only, on the basis of 179,428,062 issued Shares as at the Latest Practicable Date (including 96,000 Shares allotted on 19 March 2007 which have not been listed on SGX-ST as at the Latest Practicable Date), and assuming that no further Shares are issued prior to the EGM, not more than 17,942,806 Shares (representing 10% of the total number of issued Shares as at that date) may be purchased by the Company pursuant to the proposed Share Purchase Mandate during the duration referred to in Section 2.3.2 of this Circular.

2.3.2 Duration of Authority

(a) Share Purchases may be made, at any time and from time to time, on and from the Approval Date up to:-

- (i) the date on which the next AGM is held or required by law or the Articles to be held; or
- (ii) the date on which the Share Purchases are carried out to the full extent mandated; or
- (iii) the date on which the authority conferred by the Share Purchase Mandate is revoked or varied by the Shareholders in a general meeting,

whichever is the earlier.

(b) The authority conferred on the Directors by the Share Purchase Mandate to purchase Shares may be renewed. When seeking the approval of the Shareholders for the renewal of the Share Purchase Mandate, the Company is required to disclose details pertaining to Share Purchases made during the previous 12 months, including the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for such Share Purchases, where relevant, and the total consideration paid for such Share Purchases.

2.3.3 Manner of Share Purchases

(a) Share Purchases may be made by way of:-

- (i) an On-Market Share Purchase; and/or
- (ii) an Off-Market Share Purchase.

- (b) The Directors may impose such terms and conditions, which are not inconsistent with the Share Purchase Mandate, the Listing Manual and Act, as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme or schemes. However, an Off-Market Share Purchase effected in accordance with an equal access scheme must satisfy all the following conditions:-
- (i) offers for the Share Purchase shall be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
 - (ii) all of those persons shall be given a reasonable opportunity to accept the offers made to them; and
 - (iii) the terms of all the offers shall be the same, except that there shall be disregarded:-
 - (1) differences in consideration attributable to the fact that offers may relate to Shares with different accrued dividend entitlements;
 - (2) differences in consideration attributable to the fact that offers relate to Shares with different amounts remaining unpaid (if applicable); and
 - (3) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.
- (c) In addition, the Listing Manual provides that, in making an Off-Market Share Purchase, the Company must issue an offer document to all Shareholders which must contain at least the following information:-
- (i) the terms and conditions of the offer;
 - (ii) the period and procedures for acceptance;
 - (iii) the reasons for the proposed Share Purchase;
 - (iv) the consequences, if any, of Share Purchases by the Company that will arise under the Take-over Code or other applicable take-over rules;
 - (v) whether the Share Purchase, if made, would have any effect on the listing of the Shares on the SGX-ST; and
 - (vi) details of any Share Purchases made by the Company in the previous 12 months (whether On-Market Share Purchases or Off-Market Share Purchases in accordance with an equal access scheme), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for Share Purchases, where relevant, and the total consideration paid for the Share Purchases.
- (d) The SGX-ST announced the implementation of special trading counters for share purchases by companies listed on the SGX-ST with effect from 9 June 2000. As such, the Company may effect On-Market Share Purchases through normal ready counters and/or the special trading counter.

2.3.4 Maximum Purchase Price

- (a) The purchase price (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) to be paid for a Share will be determined by the Directors.

- (b) However, the purchase price to be paid for the Shares pursuant to the Share Purchases must not exceed:-
 - (i) in the case of an On-Market Share Purchase, 105% of the Average Closing Market Price (as defined below) of the Shares; and
 - (ii) in the case of an Off-Market Share Purchase, 120% of the Average Closing Market Price of the Shares,(the “**Maximum Price**”) in either case, excluding related expenses of the Share Purchase.
- (c) For the above purposes, “**Average Closing Market Price**” means the average of the closing market prices of a Share over the last 5 Market Days, on which transactions in the Shares were recorded, immediately preceding the date of making the On-Market Share Purchase or as the case may be, before the date of making an announcement by the Company of an offer pursuant to the Off-Market Share Purchase and deemed to be adjusted for any corporate action that occurs after the relevant 5 Market Days.

2.4 Status of Purchased Shares

2.4.1 Under Section 76B of the Act, any Share which is purchased shall, unless held as a Treasury Share, be deemed cancelled immediately on purchase, and all rights and privileges attached to that Share will expire on cancellation. All Shares purchased by the Company, unless held as Treasury Shares, will be automatically delisted by the SGX-ST, and (where applicable) all certificates in respect thereof will be cancelled and destroyed by the Company as soon as reasonably practicable following the settlement of any such purchase.

2.4.2 Some of the provisions on Treasury Shares under the Act, as amended by the Companies (Amendment) Act 2005, are summarised below:-

(a) Maximum Holdings

The number of Shares held as Treasury Shares shall not at any time exceed 10% of the total number of issued Shares of the Company and the Company shall be entered in the Register of Members as the member holding those Shares.

(b) Voting and Other Rights

The Company cannot exercise any right in respect of Treasury Shares. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Act, the Company shall be treated as having no right to vote in respect of Treasury Shares and the Treasury Shares shall be treated as having no voting rights.

In addition, save as provided under the Companies (Amendment) Act 2005, no dividend may be paid, and no other distribution of the Company’s assets may be made, to the Company in respect of the Treasury Shares. However, the allotment of shares as fully paid bonus shares in respect of Treasury Shares is allowed. Also, a sub-division or consolidation of any Treasury Share into Treasury Shares of a smaller amount is allowed so long as the total value of the Treasury Shares after the sub-division or consolidation is the same as before the sub-division or consolidation, as the case may be.

(c) Disposal and Cancellation

Where Shares purchased or acquired by the Company are held as Treasury Shares, the Company may at any time:-

- (i) sell the Treasury Shares for cash;
- (ii) transfer the Treasury Shares for the purposes of or pursuant to an employees' share scheme;
- (iii) transfer the Treasury Shares as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (iv) cancel the Treasury Shares; or
- (v) sell, transfer or otherwise use the Treasury Shares for such other purpose as may be prescribed.

2.5 Reporting Requirements

2.5.1 Within 30 days of the passing of a Shareholders' resolution to approve the renewal of the Share Purchase Mandate, the Company shall lodge a copy of such resolution with the Registrar of Companies (the "**Registrar**") in Singapore.

2.5.2 The Company shall lodge with the Registrar a notice of Share Purchase within 30 days of a Share Purchase. Such notification shall include the date of the purchases, the number of Shares purchased by the Company, the number of Shares cancelled, the number of Treasury Shares held, the Company's issued share capital before and after the purchases, the amount of consideration paid by the Company for the purchases, whether the shares were purchased or acquired out of the profits or the capital of the Company and such other particulars as may be required in the prescribed form.

2.6 Source Of Funds

2.6.1 The Company may only apply funds for the Share Purchase in accordance with the applicable laws in Singapore. The Company may not purchase its Shares for a consideration other than in cash or, in the case of an On-Market Share Purchase, for settlement otherwise than in accordance with the trading rules of the SGX-ST.

2.6.2 The Act stipulates that any purchases of Shares may be made out of the Company's capital or profits so long as the Company is solvent.

2.6.3 The Company intends to use internal sources of funds or external borrowings, or a combination of internal resources and external borrowings, to finance its Share Purchases.

2.7 Financial Effects

2.7.1 If Shares purchased by the Company are cancelled pursuant to Section 76B(5) of the Act, the purchase price paid by the Company for the Shares (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) will correspondingly reduce the amount of its share capital where the Shares were purchased out of the capital of the Company or reduce the amount of its distributable reserves where the Shares were purchased out of the profits of the Company or reduce the amount of its share capital and distributable reserves proportionately where the Shares were purchased out of both the capital and the profits of the Company.

- 2.7.2 The amount of funding required for the Company to purchase or acquire its Shares and the financial impact on the Company and the EEIC Group arising from Share Purchases which may be made pursuant to the proposed Share Purchase Mandate will depend on, *inter alia*, the aggregate number of Shares purchased or acquired, the consideration paid at the relevant time and the sources of fund applied by the Company.
- 2.7.3 Based on the existing issued and paid-up capital of the Company as at the Latest Practicable Date and assuming that none of the outstanding Share Options are exercised before the EGM, in the case of On-Market Share Purchases by the Company and assuming that, pursuant to the Share Purchase Mandate, the Company purchases the maximum number of 17,942,806 Shares at the Maximum Price of US\$2.66 per Share (being the price equivalent to 5% above the average of the closing market prices of the Shares for the 5 consecutive Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase of 17,942,806 Shares (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) is approximately US\$47,727,864.
- 2.7.4 Based on the existing issued and paid-up capital of the Company as at the Latest Practicable Date and assuming that none of the outstanding Share Options are exercised before the EGM, in the case of Off-Market Share Purchases by the Company and assuming that, pursuant to the Share Purchase Mandate, the Company purchases the maximum number of 17,942,806 Shares at the Maximum Price of US\$3.04 per Share (being the price equivalent to 20% above the average of the closing market prices of the Shares for the 5 consecutive Market Days on which the Shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase of 17,942,806 Shares (excluding brokerage, stamp duties, commission, applicable goods and services tax and other related expenses) is approximately US\$54,546,130.
- 2.7.5 On the basis of the assumptions set out above and assuming that (i) such Share Purchase is financed by external borrowings; (ii) the Share Purchase Mandate had been effective on 1 July 2006; and (iii) the Company had purchased 17,942,806 Shares (representing 10% of its total number of issued ordinary shares at the Latest Practicable Date), the financial impact of the Share Purchase of 17,942,806 Shares made by the Company pursuant to the Share Purchase Mandate on the audited financial statements of the EEIC Group and the Company for the six-month financial period ended 31 December 2006 is set out below:-

*Current Ratio	1.29	1.02	67.09	2.71

Notes:-

“**” means the computations have taken into account the impact of additional external borrowings of US\$47.728 million and attributable interest expense of US\$1.406 million to be incurred.

“n/m” means the percentage is not meaningful.

(b) Off-Market Share Purchase

As at 31 December 2006	← EEIC Group →		← Company →	
	Before Share Purchases US\$'000	After Share Purchases US\$'000	Before Share Purchases US\$'000	After Share Purchases US\$'000

*NTA per Share (US\$)	1.76	1.61	0.89	0.64
*Gearing	0.91	1.33	0.01	0.57
*Current Ratio	1.29	1.00	67.09	2.38

Notes:-

*** means the computations have taken into account the impact of additional external borrowings of US\$54.546 million and attributable interest expense of US\$1.606 million to be incurred.

"n/m" means the percentage is not meaningful.

2.7.6 As illustrated above, a purchase of a maximum of 17,942,806 Shares will result in an increase in the earnings per Share of the EEIC Group. However, there will be a reduction of the NTA of the Company and the EEIC Group resulting in a decline in NTA per Share in both On-Market Share Purchases and Off-Market Share Purchases.

2.7.7 The Directors do not propose to exercise the Share Purchase Mandate to the extent that the liquidity and capital adequacy position of the EEIC Group would be materially and adversely affected. Where the Share Purchase is financed wholly or partly out of external borrowings, the net gearing of the EEIC Group will increase. Nonetheless, based on the audited financial statements for the financial period ended 31 December 2006, the Group has an operating cash flow of approximately US\$24.435 million. Internally generated funds may also be used to finance the Share Purchase. The Directors will be prudent in exercising the Share Purchase Mandate only to such extent which the Directors believe will enhance shareholders' value giving consideration to the prevailing market conditions, the financial position of the EEIC Group and other relevant factors.

- 2.7.8 Shareholders should be aware that the financial effects set out above are based on the assumptions set out above and are purely for illustrative purposes. The above analysis is based on historical figures for the six-month financial period ended 31 December 2006 and is not necessarily representative of the Company's or the EEIC Group's future financial performance. Although the proposed Share Purchase Mandate would authorise the Company to buy back up to 10% of the total number of issued Shares as at the date the Share Purchase Mandate is obtained, the Company may not necessarily buy back or be able to buy back 10% of the total number of issued Shares in full.

2.8 Tax Implications Arising From Share Purchases

- 2.8.1 Under Section 10J of the Income Tax Act, a company which buys back its own shares using its distributable profits is regarded as having paid a dividend to the shareholders from whom the shares are acquired. With effect from 1 January 2003, the one-tier corporate taxation system has been introduced. The Company is currently within the one-tier tax system. Under this system, corporate income will be taxed at the corporate level and this will be a final tax. Dividends paid under the one-tier corporate tax system will be exempt from Singapore income tax in the hands of the shareholders.
- 2.8.2 Since the Companies (Amendment) Act 2005 had come into operation on 30 January 2006, purchase of Shares made by the Company may be paid out of the Company's capital or profits so long as the Company is solvent. Where the Company purchases its Shares out of contributed capital, it shall not be regarded as having paid a dividend to the Shareholders and the proceeds received by a selling Shareholder would be treated as proceeds from the disposal of Shares.

Shareholders should note that the foregoing is not to be regarded as advice on the tax position of any Shareholder. Shareholders who are in doubt as to their respective tax positions or tax implications of Share Purchases by the Company, or who may be subject to tax whether in or outside Singapore, should consult their own professional advisers.

2.9 Listing Manual

- 2.9.1 The Listing Manual specify that a listed company shall notify the SGX-ST of any On-Market Share Purchases not later than 9.00 a.m. on the Market Day following the day on which the On-Market Share Purchase was made, and of any Off-Market Share Purchases not later than 9.00 a.m. on the second Market Day after the close of acceptance of the offer for the Off-Market Share Purchase. The notification of such Share Purchases to the SGX-ST shall be in such form and shall include such details that the SGX-ST may prescribe. The Company shall make arrangements with its stockbrokers to ensure that they provide the Company in a timely fashion the necessary information which will enable the Company to make the notifications to the SGX-ST.
- 2.9.2 While the Listing Manual does not expressly prohibit purchase of shares by a listed company during any particular time or times, the Company will not undertake Share Purchases after a price sensitive development has occurred or has been the subject of a consideration and/or a decision of the Board until such time as the price sensitive information has been publicly announced. In particular, the Company will not buy any Shares during the period commencing 2 weeks before the announcement of the Company's results for each of the first, second and third quarters of its financial year, or 1 month before the announcement of the Company's annual results, as the case may be, and ending on the date of announcement of the relevant results.

- 2.9.3 The Listing Manual requires a listed company to ensure that the percentage of equity securities of any class that is listed and held in public hands does not fall below 10%. The “**public**”, as defined under the Listing Manual, are persons other than the directors, chief executive officer, Substantial Shareholders or Controlling Shareholders of the Company and its subsidiaries, as well as the associates of such persons. Based on the Register of Directors’ Shareholdings and the Register of Substantial Shareholders maintained by the Company as at the Latest Practicable Date, there are 34,352,340 Shares in the hands of public Shareholders, representing approximately 19.14% of the total number of issued Shares of the Company. Assuming the Company exercises the Share Purchase Mandate in full and purchases 10% of the total number of issued Shares of the Company from the public, the number of Shares in the hands of the public would be reduced to approximately 16,409,534 Shares, representing approximately 10.16% of the total number of issued Shares of the Company. Accordingly, the Company is of the view that there is a sufficient number of Shares in issue held by public Shareholders which would permit the Company to undertake purchases or acquisitions of its Shares up to the full 10% limit pursuant to the Share Purchase Mandate without affecting the listing status of the Shares on the SGX-ST.
- 2.9.4 In undertaking any Share Purchases, the Directors will use their best efforts to ensure that, notwithstanding such Share Purchases, a sufficient float in the hands of the public will be maintained so that the Share Purchases will not adversely affect the listing status of the Shares on the SGX-ST, cause market illiquidity or adversely affect the orderly trading of the Shares.

2.10 Take-Over Code implications arising from Share Purchases

- 2.10.1 The resultant increase in the percentage of voting rights held by a Shareholder and persons acting in concert with him, following any Share Purchases, will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code (“**Rule 14**”). Consequently, depending on the number of Shares purchased by the Company and the Company’s total number of Shares at that time, a Shareholder or group of Shareholders acting in concert with each other could obtain or consolidate effective control of the Company and could become obliged to make an offer under Rule 14.
- 2.10.2 Under the Take-over Code, persons acting in concert or concert parties comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company to obtain or consolidate effective control of the company. Unless the contrary is established, the following persons, *inter alia*, will be presumed to be acting in concert, namely, (i) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts), and (ii) a company, its parent, subsidiaries and fellow subsidiaries, and their associated companies and companies of which such companies are associated companies, all with one another. For this purpose, ownership or control of at least 20% but not more than 50% of the voting rights of a company will be regarded as the test of associated company status.
- 2.10.3 The circumstances under which Shareholders (including Directors) and persons acting in concert with them respectively will incur an obligation to make a take-over offer under Rule 14 after a purchase or acquisition of Shares by the Company are set out in Rule 14 and Appendix 2 of the Take-over Code.
- 2.10.4 In general terms, the effect of Rule 14 and Appendix 2 is that, unless exempted, Directors and persons acting in concert with them will incur an obligation to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring Shares, the voting rights of such Directors and their concert parties would increase to 30% or more, or, in the event that such Directors and their concert parties hold

between 30% and 50% of the Company's voting rights, the voting rights of such Directors and their concert parties would increase by more than 1% in any period of 6 months.

- 2.10.5 Under Appendix 2 of the Take-over Code, a Shareholder not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder would increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of 6 months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Share Purchase Mandate.
- 2.10.6 Shareholders will be subject to the provisions of Rule 14 if they acquire any Shares after the Company's Share Purchase. For the purpose of the Take-over Code, an increase in the percentage of voting rights as a result of the Share Purchases will be taken into account in determining whether a Shareholder and persons acting in concert with him have increased their voting rights by more than 1% in any period of 6 months.
- 2.10.7 The interests of the Directors and Substantial Shareholders of the Company in the Shares are disclosed in Section 4 below.
- 2.10.8 As at the Latest Practicable Date, assuming (a) the Company purchases the maximum amount of 10% of the total number of issued Shares of the Company, and (b) there is no change in the number of Shares held or deemed to be held by the Directors and Substantial Shareholders prior to and after the exercise of the Share Purchase Mandate, none of the Directors and Substantial Shareholders will become obligated to make a mandatory take-over offer under Rule 14 in the event that the Company purchases the maximum number of 17,942,806 Shares under the Share Purchase Mandate.

Shareholders are advised to consult their professional advisers and/or the SIC and/or other relevant authorities at the earliest opportunity as to whether an obligation on their part, if any, to make a mandatory take-over offer under the Take-over Code would arise by reason of any Share Purchases by the Company.

2.11 Shares purchased during the previous 12 months

The Company has not purchased any Shares within the 12 months preceding the Latest Practicable Date.

3 THE PROPOSED RENEWAL OF THE MANDATE FOR INTERESTED PERSON TRANSACTIONS

3.1 Introduction

3.1.1 The Company had, at the extraordinary general meeting held on 13 October 2006, sought and obtained the approval of the Shareholders to renew a general mandate ("the 2006 IPT Mandate") to authorise the EEIC Group to enter into certain transactions with the Kingboard Group.

3.1.2 Kingboard is the ultimate holding company of the Company. Accordingly, transactions entered into between the EEIC Group and the Kingboard Group are considered to be Interested Person Transactions within the meaning of Chapter 9 of the Listing Manual. The rationale and benefits for, the scope, the review procedures and the classes of Interested Persons in respect of the 2006 IPT Mandate were set out in the Company's circular dated 18 September 2006.

3.1.3 The 2006 IPT Mandate is subject to annual renewal. For the reasons set out in Section 2.1.4 above, its validity period will expire on 12 April 2007, being the date of the forthcoming AGM.

3.1.4 The Board is convening an EGM to seek Shareholders' approval for the renewal of the IPT Mandate.

3.2 Chapter 9 of the Listing Manual

3.2.1 Chapter 9 of the Listing Manual ("**Chapter 9**") governs transactions between a listed company or any of its subsidiaries or associated companies (which is known as an "**entity at risk**" each) and interested persons. The purpose is to guard against the risk that interested persons could influence the listed company, its subsidiaries or associated companies, to enter into transactions with interested persons that may adversely affect the interests of the listed company or its shareholders.

3.2.2 For the purposes of Chapter 9, the following definitions apply:

(a) an "**approved exchange**" means a stock exchange that has rules which safeguard the interests of shareholders against interested person transactions according to similar principles in Chapter 9.

(b) an "**associate**":-

(i) in relation to any director, chief executive officer, substantial shareholder or controlling shareholder (being an individual) means:-

(1) his immediate family (i.e., spouse, child, adopted child, step-child, sibling and parent);

(2) the trustees of any trust of which he or his immediate family is a beneficiary or, in the case of a discretionary trust, is a discretionary object; and

(3) any company in which he and his immediate family together (directly or indirectly) have an interest of 30% or more; and

(ii) in relation to a substantial shareholder or controlling shareholder (being a company) means any other company which is its subsidiary or holding company or is a subsidiary of such holding company or one in the equity of which it and/or such other company or companies taken together (directly or indirectly) have an interest of 30% or more.

(c) an "**entity at risk**" means:-

(i) the listed company;

(ii) a subsidiary of the listed company that is not listed on the SGX-ST or an approved exchange; or

(iii) an associated company of the listed company that is not listed on the SGX-ST or an approved exchange, provided that the listed group or the listed group and its interested person(s) has control over the associated company.

(d) an "**interested person**" means:-

(i) a director, chief executive officer or controlling shareholder of a listed company; or

- (ii) an associate of such director, chief executive officer or controlling shareholder.
- (e) an “**Interested Person Transaction**” means a transaction between an entity at risk and an Interested Person which includes the following:-
 - (i) the provision or receipt of financial assistance;
 - (ii) the acquisition, disposal or leasing of assets;
 - (iii) the provision or receipt of services;
 - (iv) the issuance or subscription of securities;
 - (v) the granting of or being granted options; and
 - (vi) the establishment of joint ventures or joint investments

whether or not in the ordinary course of business, and whether or not entered into directly or indirectly.

3.3 Requirements under Chapter 9

- 3.3.1 Under Chapter 9, where an entity at risk proposes to enter into a transaction with an interested person, either an immediate announcement and/or shareholders’ approval would be required in respect of the transaction if the value of the transaction is equal to or exceeds certain financial thresholds.
- 3.3.2 The financial thresholds are:-
 - Threshold 1: 3% of the latest audited consolidated NTA of the listed company and its subsidiaries (“Group”);
 - Threshold 2: 5% of the latest audited consolidated NTA of the Group.
- 3.3.3 An immediate announcement is required where:
 - (a) the value of a transaction is equal to or exceeds Threshold 1; or
 - (b) the aggregate value of all transactions entered into with the same interested person during the same financial year equals to or exceeds Threshold 1. In this instance, the listed company must make an immediate announcement of the latest transaction and all future transactions entered into with that same interested person during that financial year.
- 3.3.4 Shareholders’ approval (in addition to an immediate announcement) is required where:
 - (a) the value of a proposed transaction is equal to or exceeds Threshold 2; or
 - (b) the aggregate value of all transactions entered into with the same interested person during the same financial year equals to or exceeds Threshold 2. However, any transaction that has been approved by shareholders, or is the subject of aggregation with another transaction that has been approved by shareholders need not be included in any subsequent aggregation.
- 3.3.5 The requirements as set out in Sections 3.3.3 and 3.3.4 do not apply to any transaction below S\$100,000.

3.3.6 For illustration purposes, based on the EEIC Group's latest audited financial statements for six-month financial period ended 31 December 2006, the EEIC Group's latest consolidated audited NTA as at 31 December 2006 was US\$315,241,000. Accordingly, in relation to the EEIC Group, for the purposes of Chapter 9 in the current financial year, Shareholders' approval would be required where:

- (a) the value of the transaction equals to or exceeds US\$15,762,050 being 5% of the EEIC Group's latest audited consolidated NTA; or
- (b) the value of the transaction, when aggregated with other transactions entered into with the same interested person during the same financial year, equals to or exceeds US\$15,762,050. Any transaction that has been approved by Shareholders, or is the subject of aggregation with another transaction that has been approved by Shareholders need not be included in any subsequent aggregation.

3.3.7 Part VIII of Chapter 9 allows a listed company to seek a general mandate from its shareholders for recurrent Interested Person Transactions of a revenue or trading nature or those necessary for its day-to-day operations such as the purchase and sale of supplies and materials, but not in respect of the purchase or sale of assets, undertakings or businesses. A general mandate granted by Shareholders is subject to annual renewal.

3.4 Overview of the EEIC Group and the Kingboard Group

3.4.1 Overview of the EEIC Group

The Company was incorporated in Singapore on 2 January 1993 and was listed on SGX-ST on 5 September 1994. The EEIC Group is principally engaged in the manufacture and distribution of high-density double-sided and multi-layer printed circuit boards ("**PCBs**"), and supplies a variety of PCB products to a diverse customer base.

3.4.2 Overview of the Kingboard Group

Kingboard was incorporated in the Cayman Islands on 12 January 1993 and was listed on the HKSE on 8 October 1993. The Kingboard Group is principally engaged in the manufacture of laminates, copper foil, glass fabric, glass yarn, bleached kraft paper, PCBs, chemicals, liquid crystal displays and magnetic products. Laminates, copper foil, glass fabric, glass yarn and bleached kraft paper are key raw materials used in the manufacturing of PCBs, which is the principal activity of the EEIC Group.

3.5 Rationale and Benefits of IPT Mandate

3.5.1 Following the acquisition of effective control by the Kingboard Group of the EEIC Group on 25 November 2004, the EEIC Group would in the ordinary course of business enter into the Interested Persons Transactions set out in Section 3.7 below and with some degree of frequency.

3.5.2 The IPT Mandate will give the Company the flexibility to conduct the recurrent Interested Persons Transactions between the classes of Interested Persons as set out in Section 3.6 below and the EEIC Group in the ordinary course of business. It will enhance EEIC Group's ability to pursue business opportunities which are time-sensitive in nature.

3.5.3 The IPT Mandate will enhance the EEIC Group's ability to utilise the resources owned by the classes of Interested Persons set out in Section 3.6 below, thereby enabling the EEIC Group to improve its response time and services to its customers. Further, as the businesses of the EEIC Group and the Interested Persons are complementary with each other, the Interested Persons have a better understanding

(as compared with unrelated third parties) of the nature of the EEIC Group's business and vice versa, and the EEIC Group and the Interested Persons are therefore able to achieve greater synergy when they provide goods and services to each other.

3.5.4 The obtaining of the IPT Mandate and the renewal of the same on an annual basis would eliminate the need for the Company to announce and convene separate general meetings on each occasion to seek Shareholders' prior approval for each separate recurrent Interested Persons Transactions with the classes of Interested Persons set out in Section 3.6 below. Administrative expenses, time and inconvenience associated with the convening of such meetings will be reduced substantially, without compromising the corporate objectives of the Company and/or adversely affecting the business opportunities available to the EEIC Group. Accordingly, administrative efficiency would be considerably improved, allowing more resources and time to be focused on attaining corporate objectives and business opportunities.

3.5.5 In view of Sections 3.5.2 to 3.5.4 above, the Directors are seeking Shareholders' approval in respect of the proposed renewal of the IPT Mandate for the Company, its Subsidiaries and Associated Companies to enter into Interested Persons Transactions with the classes of Interested Persons set out in Section 3.6 below, provided that such transactions are carried out on normal commercial terms, and are not prejudicial to the interests of the Company and its minority Shareholders.

3.6 Classes of Interested Persons

For the purpose of the IPT Mandate, the classes of Interested Persons are:

- (a) Kingboard; and
- (b) Kingboard Group.

3.7 Nature and scope of Interested Person Transactions

3.7.1 The proposed renewal of the IPT Mandate will not apply to any transaction by a company in the EEIC Group with the classes of Interested Persons as specified in Section 3.6 above that is below S\$100,000 in value, as the threshold and aggregation requirements contained in Chapter 9 would not apply to such a transaction.

3.7.2 Interested Person Transactions which do not fall within the ambit of the IPT Mandate shall be subject to the relevant provisions of Chapter 9.

3.7.3 The proposed renewal of the IPT Mandate will apply to the following categories of transactions which certain members of the EEIC Group are likely to enter into with the classes of Interested Persons set out in Section 3.6 above, in connection with the provision to, or obtaining from, the Interested Persons of products and services in the normal course of the business or which are necessary for the day-to-day operations of the EEIC Group:

- (a) the supply of laminates, copper foil, glass fabric, glass yarn, bleached kraft paper, and chemicals used for the manufacture of PCBs and PCB related materials ("**Supply of Raw Materials**");
- (b) the provision of value-added subcontract services relating to PCB manufacturing ("**Subcontracting Services**");
- (c) the supply of PCBs and its affiliated products ("**Supply of PCBs**"); and

- (d) the provision of such other products and/or services including but not limited to, supply of drill bits, provision of drilling services and materials recycling services, which are incidental to or in connection with the provision or obtaining of products and/or services outlined above.

3.8 Review Procedures for Interested Person Transactions

3.8.1 To ensure that the Interested Person Transactions are carried out at arm's length, on normal commercial terms consistent with the EEIC Group's usual business practices and policies, and will not be prejudicial to the interests of the Company and its minority Shareholders, the Company has implemented a set of methods or procedures for determining the transaction prices for the review and approval of Interested Person Transactions under the IPT Mandate.

(a) **Supply of Raw Materials and Subcontracting Services**

In considering whether to enter into a particular transaction, at least two other competitive bids from unrelated third parties will be obtained. The transaction will only be approved if the terms are better than the more competitive of the two bids obtained. In determining price competitiveness for the supply of raw materials, factors such as (but not limited to) quality and grade of materials, order size, on-time delivery, payment terms, customer requirements and specifications, duration of the contract or purchase orders of the transaction, will be taken into account. As for the supply of subcontracting services, price competitiveness would be determined based on factors such as (but not limited to) quality of services, on-time delivery and payment terms of the transaction. In the event that no quotation from unrelated third parties is available, the management (who will have no interest, whether direct or indirect, in the transaction) will assess that the pricing of the transaction is in accordance with the usual business practices and pricing policy of the EEIC Group to determine whether such transaction is undertaken on normal commercial terms.

(b) **Supply of PCBs and Subcontracting Services**

In considering whether to enter into a particular transaction, the prices and terms of at least two other recent transactions involving similar products or services with unrelated third parties will be taken into account. The price charged to the Interested Person should not be lower than the lower of the prices charged in the two recent transactions of similar product or service specifications. In determining price competitiveness for the supply of PCBs, factors such as (but not limited to) quality, quantity, order size, product specifications, duration of contract of the transaction, will also be taken into account. As for the supply of subcontracting services, price competitiveness would be determined based on factors such as (but not limited to) quality of services, on-time delivery and payment terms of the transaction. In the event that no recent transactions of similar products or services were entered into with third parties, the management (who will have no interest, direct or indirect, in the transaction) will assess if the pricing and terms of the transaction are in accordance with the EEIC Group's usual business practices and pricing policy, and are consistent with the usual margins for the same or substantially similar types of transactions entered into with unrelated third parties.

3.8.2 Further, prior approval of the Audit Committee must be obtained before any proposed single Interested Person Transaction equal to or exceeding S\$3,000,000 in value is entered into (including but not limited to those transactions described under Section 3.7.3(d) above). Any decision taken by the Audit Committee with regard to such transactions must be approved by the majority of its members.

3.8.3 In addition to the review procedures set out in Sections 3.8.1 and 3.8.2 above, the following procedures will also be implemented:

- (a) The Company will maintain a register of Interested Person Transactions carried out pursuant to the IPT Mandate (recording the basis, including quotations and/or offers obtained, if any, where applicable to support such basis, on which they are entered into).
- (b) The annual audit plan shall incorporate a review of all Interested Person Transactions entered into pursuant to the IPT Mandate.
- (c) The Audit Committee may, as it deems fit, request for additional information pertaining to the Interested Person Transaction under review from independent sources or advisers.
- (d) Further to the above, where any Director has an interest (direct or indirect) in any Interested Person Transaction, such Director (or, his alternate, where appropriate) shall abstain from voting on the matter. Where any member of the Audit Committee has an interest in any Interested Person Transaction, that member shall abstain from participating in the review and approval process in relation to that transaction.
- (e) The Audit Committee will carry out periodic reviews (not less than twice a year) to ascertain that the established review procedures as set out above in respect of the IPT Mandate have been complied with, and whether the review procedures remain appropriate and continue to be able to ensure that the transactions will be carried out on normal commercial terms, and are not prejudicial to the interests of the Company and its minority Shareholders.
- (f) The Company will report all Interested Person Transactions to the Audit Committee. The Audit Committee will review and ratify all Interested Person Transactions on a half-yearly basis. In the event of ambiguity as to whether a transaction or transactions would fall within the IPT Mandate, the Company will consult the Audit Committee prior to entering into such transactions.

3.9 Validity period of IPT Mandate

If approved by Shareholders at the EGM, the IPT Mandate will take effect from the passing of Ordinary Resolution 2 at the EGM, and will (unless revoked or varied by the Company in general meeting) continue in force until the next AGM. Approval from Shareholders will be sought for the renewal of the IPT Mandate at each subsequent AGM, subject to satisfactory review by the Audit Committee of its continued application to transactions with Interested Persons.

3.10 Disclosure in Financial Statements and Annual Report

Pursuant to Chapter 9, the Company will:-

- (a) disclose the IPT Mandate in the Company's Annual Report, giving details of the aggregate value of transactions conducted pursuant to the IPT Mandate during the financial year, containing the following details:-
 - (i) name of the interested person;
 - (ii) aggregate value of all Interested Person Transactions during the financial year under review (excluding transactions less than S\$100,000 and transactions conducted under IPT Mandate); and
 - (iii) aggregate value of all Interested Person Transactions conducted under IPT Mandate (excluding transactions less than S\$100,000); and

- (b) announce the aggregate value of transactions conducted pursuant to the IPT Mandate for the financial periods which it is required to report on pursuant to Rule 705 of the Listing Manual in its financial statements within the time required for the announcement of such report. The disclosure will also contain the details set out in Section 3.10(a) (i), (ii) and (iii) above.

3.11 Statement from the Audit Committee

The Audit Committee (currently comprising Messrs Larry Lai Chong Tuck, Philip Wong Yu Hong and Ann Chiang Lai Wan) having considered, inter alia, the review procedures for the Interested Person Transactions, confirms that:-

- (a) the methods and procedures set out in Section 3.8 above for determining transaction prices in respect of the Interested Person Transactions have not changed since the last Shareholders' approval of the IPT Mandate on 13 October 2006; and
- (b) the said methods or procedures are sufficient to ensure that the transactions will be carried out on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders.

3.12 Statement from the Company

If the Audit Committee is of the view that the established guidelines, method, procedures and/or review procedure in Section 3.8 become inappropriate or insufficient to ensure that the Interested Person Transactions are carried out on normal commercial terms and may be prejudicial to the Company and its minority Shareholders, the Company will obtain a fresh mandate from Shareholders based on new methods or procedures for Interested Person Transactions. In the meantime, all Interested Person Transactions are to be approved by the Audit Committee.

3.13 Abstention from Voting

By virtue of their interests in the IPT Mandate, EEIH, Elitelink Holdings Limited, Kingboard Investments Limited (by virtue of them being the subsidiaries of Kingboard), Chadwick Mok Cham Hung, Cheung Kwok Wing, Chan Wing Kwan and Chang Wing Yiu (by virtue of them being directors of both Kingboard and EEIH) will abstain, and have undertaken to ensure that their Associates will abstain, from voting on the Ordinary Resolution 2 to be proposed at the EGM.
